#### CLEAN UP

Fall cleanup is usually the first week in November. In recent years both spring and fall cleanup have been exceeding resources; meaning we may have to impose restrictions or qualifiers. If you have the ability and/or resources to remove your own items, please do so. This will help keep the service available to those who cannot and help keep our City looking great. Thank you!

#### BUILDING PROJECTS

We cannot emphasize enough, if you haven't applied, received signatures and paid for a permit for your project, you shouldn't start on it. It could turn out to be very costly and time consuming.

Regardless of the print on the package

**PLEASE DO NOT  
FLUSH ANY TYPE OF  
DISPOSABLE WIPES**
